Mariemont Junior Accepted To Naval Academy Summer Session

Mariemont High School junior Cole Miller has been accepted into the Summer Seminar at the United States Naval Academy. The week-long session allows qualified candidates to experience life at the Naval Academy.

The program stresses academics, athletics and professional training – all to determine whether pursuing an appointment to one of the nation's service academies is the right match.

Miller's aspiration is to become a naval aviator, a goal he has held for years. He is the son of Chris and Linda Miller of Williams Meadow.
