Mariemont Students Send Sweet Treats to the Troops

The students at Mariemont Elementary responded in full force to their principal's request to donate Halloween treats to U.S. soldiers. "Trick or Treat for the Troops was a response to our desire to express concern and support for our troops. In an effort to raise awareness and in appreciation for our Veteran's Day celebration soon to follow, I asked the students to donate a portion of their Halloween candy to our service men and women overseas. The response was quite impressive," said Principal Steve Brokamp.

Over 250 pounds of candy was brought in to the school office. Parent Kevin Crowley delivered the goods to a local dentist who shipped the candy along with his supplies to the troops in Iraq.
