Mariemont High School Students Add Warmth to Winter

It has become a tradition for the members of the Mariemont High School chapter of the National Honor Society (NHS) to add some warmth to the winter season. Through their annual “Warm Hands, Warm Heads, Warm Hearts” drive, the students collected new or gently used hats, gloves, socks, scarves, long underwear and blankets from the student body. The items were donated to The Healing Center (formerly MercyWorks), a freestore in the TriCounty area sponsored by the Vineyard Church.

The NHS “Warm” items drive was one of several charitable efforts this fall and winter by Mariemont High School student groups. Others included a toy drive by the Junior Class, a coat drive by the Sophomores, and a Thanksgiving canned food drive by Key Club members.
