Mariemont School District Elementaries Celebrate Family Tradition

On November 24, the three elementary schools in the Mariemont City School District held their annual Parent/Grandparent Day Celebration, welcoming special family and friends for a morning filled with shared activities. The guests enjoyed such offerings as fine arts performances, poetry readings, magic shows, science experiments, book fairs and more.

Hosting Parent/Grandparent Day just prior to the school district's Thanksgiving break has been a long-standing tradition at Fairfax Elementary, Mariemont Elementary and Terrace Park Elementary
