Mariemont Sophomore Receives Leadership Award from Healthy Visions

Delaney Sullivan, a sophomore at Mariemont High School, received the Leadership Award from Healthy Visions at Mariemont High School on February 17, 2011. The award was represented to her in front of Assistant Principal Tom Crosby and her teacher Terri Thomas.

The Leadership Award was established to promote and hold up as an example the ideals and achievements of high school students who have provided exemplary service as advocates for Healthy Visions programming. The 2011 award honors Ms. Sullivan for her exceptional communication of the value of Healthy Visions programming to 100 members of the West Chester Liberty Township Power of the Purse. Ms. Sullivan's effective and heart felt presentation resulted in the women selecting Healthy Visions as the 2010 winner of the \$10,000 Power of the Purse award.

Healthy Visions is a 25 year old educational non- profit that teaches high school students about the dangers of a variety issues including drug/alcohol abuse, depression and bullying. Healthy Visions offers prevention so students understand the topics and their potential consequences. Healthy Visions offers help and guidance on what to do if a student encounters any of these problems.

Healthy Visions promotes self-respect, healthy dating, and successful relationships to help students make better choices and build stronger relationships. Healthy Visions programs have been offered in cooperation with hundreds of schools and social services in Greater Cincinnati and beyond, reaching over 120,000 students.
