Mariemont High School Mock Trial Team Closes Strong at Regionals

The Mariemont High School Mock Trial qualified for and competed at the Regional competition on February 25 - ending one of its best seasons in history. Special recognition went to juniors Karyn Georgilis and Lizzie Deadrick who received the “Best Attorney” and “Best Witness” awards, respectively.

The Mock Trial program allows students to experience a realistic approach to law and government by playing roles involved in a mock trial situation. Students prepare for cases as plaintiffs, prosecution and defense, and compete against teams from other schools.

The Mariemont High School Mock Trial faculty advisor is David Wolfford.

Members of the Mariemont High School Mock Trial regional-qualifying team are: (back row) David Wolfford (teacher), Chase Beach, Mark Evans (coach), Karyn Georgilis, Wil Dietz, Cliff Wagner, Jeanette Hargreaves Moreno (coach); and (front row) Karin Long, Lizzie Deadrick, Kate Hassey, Haven Johnson and Sarah Blatt.
