Mariemont Seniors Selected For Cincinnati Public Service Award

Two Mariemont High School seniors, Angie Bell and Stephanie Allen, were selected to receive a 2011 Student Public Service Award from the Public Service Recognition – Cincinnati program.

After a service visit to Haiti last year, Bell and Allen were inspired to hold a fundraiser right here in Cincinnati and organized the “Stomp Out Hunger 5K” last October. From creating tee-shirts to securing sponsors to recruiting volunteers, the girls were determined to make this event a success...and it was. They raised nearly \$4000 for the Inter Parish Ministry, a local food pantry.

Having been nominated by the Mariemont High School Counseling Department, the girls were chosen to receive this honor and will be recognized May 5 on Fountain Square at the 23rd Recognition Event.

Angie Bell is the daughter of Janet Bell of Mariemont and James Bell of Terrace Park. Stephanie Allen is the daughter of Brenda and Paul Allen of Mariemont.
