Mariemont High School Student Selected for Area Leadership Program

From the Mariemont High School Class of 2013, Sophie Erhardt has been selected to be a part of the 2012 Regional Youth Leadership class comprised of students from Northern Kentucky/Greater Cincinnati area high schools.

Founded in 1994, this program seeks to build the leadership skills of high school juniors through interaction with community decision-makers and participation in issue-oriented seminars. The 49 student leaders selected (representing 47 high schools) have made the commitment to attend the seven program sessions and day-long retreat. The sessions are held at various venues throughout the greater Northern Kentucky/Cincinnati area once a month. Topics covered include diversity, health, local government, law, economic development, criminal justice, money matters and art.

Sophie is the daughter of Joan and Mark Erhardt of Mariemont.
