Mariemont Students Celebrate AFS International Day

On February 29, Mariemont High School's AFS Club members celebrated their annual AFS Club International Day. Twenty foreign exchange students from throughout the greater Cincinnati area spent Tuesday evening with families of students from MHS, and on Wednesday, the guests accompanied their host sisters and brothers to school for the day. After a full day of sharing their experiences in the U.S. and information about their homelands with Mariemont students, hosts and guests all gathered for dinner and a wrap-up program in the high school cafeteria.

The participating AFS students hailed from Bolivia, Italy, Hong Kong, Iceland, Japan, Indonesia, Colombia, Paraguay, Spain, Denmark, Saudi Arabia, Germany, Portugal, Turkey, France, Turkmenistan and India.

Maggie Kornreich is the Mariemont High School AFS Club faculty advisor.
