Mariemont Junior High School

Mariemont Elementary

Terrace Park Elementary

Community members * Students * Staff * Alumni * Parents * Everyone!

The entire school district community is invited to an up close look at phase one of construction of your new/renovated school buildings. Walk through the footprint, check out the progress and get a glimpse into the future for our students!

Closed-toe shoes and hard hats (we'll have loaners) will be the required dress as you'll sign in to tour the construction sites.

Mariemont City Schools will continue to preview the buildings' progress with community tours in the spring and summer.

Spread the word to your friends and neighbors.
