

Facilities Update Weekly

August 13, 2010

High School:

– The new air handler for the gym will be installed this coming week after some roof prep, structure support work and electrical work. If all goes well, the air handler should be ready at the start of school.

-Bids were taken for the School Spirit walk. The contract will be awarded next week. The goal is to have the walk finished by Homecoming (Oct.1).

-The sophomore parking lot is just finishing up with blacktop, lining, curbing and lighting.

Fairfax:

-The asbestos abatement is continuing and is on schedule to be finished around August 30. The last work will involve pulling out the windows. The construction fencing will be put up in the next week.

-The Police and Fire Departments will be using the building for practice August 30 – Sept. 17.

-Demolition will take place from Sept. 20- Nov. 19. Bids were taken this week and will be awarded next week.

-Bids were taken and awarded for the cupola removal.

Mariemont:

-The asbestos abatement is complete.

-Champions will have a newly renovated room.

-Additional classrooms were created to accommodate the students from Fairfax.

Terrace Park:

-There was no asbestos abatement done at TP this summer as it was not needed at this time.

Have a great week!
