

KATHY RYAN

FACILITIES PROJECT PROGRAM MANAGER

After thirty-three years in education, Kathy Ryan retired from Wyoming City Schools. She was a Special Education Teacher, High School guidance counselor, High School Assistant Principal, and Middle School Principal.

Kathy is joining Mariemont Schools as a Program Manager for the facilities project. She will be the liaison between the Board of Education, Administrators, architects, and construction managers. Kathy will be coordinating and communicating with everyone involved in the facilities project. Feel free to contact her with questions or concerns.
