

Facilities Update Weekly

July 1, 2011

Mariemont High School:

- The new stadium lighting installation is being done
- The air conditioning unit specs for C-20 (Robert A. Martin Lecture Hall) is being planned.

Mariemont Junior High at Fairfax Site: (See attached pic)

- The walkway around the school to the baseball field is now open.
- The building pad is being completed.
- Construction roads are being built.
- The 5 foot pipes that are being delivered are for the water detention system.

Mariemont Elementary: (See attached pic)

- Demolition will be completed next week.
- The rain has been a steady factor in slowing down our outside progress.

Terrace Park Elementary: (See attached pic)

- The building pad is being completed.
- Construction roads are being built

FYI

- There have been requests for bricks from Terrace Park and Mariemont Elementaries. Next summer we will be putting bricks outside of the fencing for those who would like a souvenir brick. I will let everyone know through my weekly update.
- If you had a student who had art work hung before 2003 in the halls of Fairfax, Mariemont or Terrace Park, please stop by the Board of Education to pick it up. Artwork after 2003 will be hung in the new buildings. The names of student art pieces to be picked up are listed below.
