Facilities Update Weekly

Mariemont High School:

- The new stadium lighting installation is being done
- Bids will be going out for the air conditioning unit for C-20 (Robert A. Martin Lecture Hall).

Mariemont Junior High at Fairfax Site:

- The walkway around the school to the baseball field will be closed for a few weeks while the storm system is being installed.
- Utility installation is in progress.

Mariemont Elementary:

- Demolition still continues. (See attached picture of classroom in original building.)
- The asphalt in the teacher parking lot will be removed to get ready for the drilling of the geothermal wells. The parking lot will be closed for the summer.

Terrace Park Elementary:

- Installation of dry wells and the building pad. This week dry wells are being installed and the building pad is being constructed.

FYI

- There have been requests for bricks from Terrace Park and Mariemont Elementaries. Next summer we will be putting bricks outside of the fencing for those who would like a souvenir brick. I will let everyone know through my weekly update.
- If you had a student who had art work hung before 2003 in the halls of Fairfax, Mariemont or Terrace Park, please stop by the Board of Education to pick it up. Artwork after 2003 will be hung in the new buildings. The names of student art pieces to be picked up are listed below.
