

# Facilities Update Weekly

November 18, 2011

## **Mariemont High School:**

- Work is starting on the Board of Education Offices
- 

## **Mariemont Junior High in Fairfax:**

- The exterior walls are being constructed with concrete block.
- Electric, plumbing, and masonry work is being done on the interior.
- Precast planking will be installed this week and next week.

## **Mariemont Elementary:**

- Masonry work is being done on the original building and in the new sections.
- HVAC work has started in the original building.
- The exterior walls are being constructed with concrete block.
- Electrical rough in has started.
- Precast planking will be installed after Thanksgiving.

## **Terrace Park Elementary:**

- Foundations have been poured and concrete block is being set.
- Insulation is being installed in preparation for the brick work.
- Masonry (brick cleaning and grouting) work is being done on the original building.
- Work on the gym for the heating and air conditioning will be starting on the stage area.

## **FYI**

- **If you see lights on at night in the Mariemont or Terrace Park original buildings, it is for security and safety purposes.**
- Please take the time to drive by the buildings to see the progress. It changes daily!
- Please view the updated design plans now online at the [www.mariemontschools.org](http://www.mariemontschools.org) website.
- If you have any questions, please feel free to call (309-8743) or email me ([kryan@mariemontschools.org](mailto:kryan@mariemontschools.org)).

Have a Happy Thanksgiving!

Kathy Ryan, Program Manager for Mariemont Schools
