

November 11, 2011

Mariemont High School:

- The new press box is completed!

Mariemont Junior High in Fairfax:

- The exterior walls are being constructed with concrete block.
- Electric, plumbing, and masonry work is being done on the interior.
- Precast planking will be installed this week.
- Thanks to all who came to the Open Air Tour last Sunday!

Mariemont Elementary:

- Masonry work is being done on the original building and in the new sections.
- HVAC work has started in the original building.
- The exterior walls are being constructed with concrete block.
- Electrical rough in has started.
- Thanks to all who came to the Open Air Tour last Sunday!

Terrace Park Elementary:

- Foundations have been poured and concrete block is being set.
- Insulation is being installed in preparation for the brick work.
- Masonry (brick cleaning and grouting) work is being done on the original building.
- Thanks to all who came to the Open Air Tour last Sunday!

FYI

- **If you see lights on at night in the Mariemont or Terrace Park original buildings, it is for security and safety purposes.**
- Please take the time to drive by the buildings to see the progress. It changes daily!
- Please view the updated design plans now online at the www.mariemontschools.org website.
- If you have any questions, please feel free to call (309-8743) or email me (kryan@mariemontschools.org).

Have a great week!

Kathy Ryan, Program Manager for Mariemont Schools
