

November 4, 2011

Mariemont High School:

- The new press box is completed!

Mariemont Junior High in Fairfax:

- The exterior walls are being constructed with concrete block.
- Electric, plumbing, and masonry work is being done on the interior.
- Thanks to all who came to the Open Air Tour last Sunday!

Mariemont Elementary:

- Masonry work is being done on the original building.
- HVAC work has started in the original building.
- The exterior walls are being constructed with concrete block.
- Electrical rough in has started.
- Come to the Open Air Tour this Sunday from 12:00-2:00.

Terrace Park Elementary:

- Foundations have been poured and concrete block is being set.
- The cafeteria walls are being constructed.
- Masonry (brick cleaning and grouting) work is being done on the original building.
- Come to the Open Air Tour this Sunday from 2:00-4:00.

FYI

- **If you see lights on at night in the Mariemont or Terrace Park original buildings, it is for security and safety purposes.**
- Please take the time to drive by the buildings to see the progress. It changes daily!
- We will be having "Open Air" construction Tours: Sunday, October 30 at the new Junior High from 12:00-2:00pm and November 6 at Mariemont Elementary from 12:00-2:00pm and Terrace Park Elementary from 2:00 – 4:00pm. Wear closed-toed shoes, ~~bring a hardhat if you have one (we'll have loaners)~~ and walk through the sites. The tours will be on rain or shine! **Hardhats will not be required on the tours.**
- Please view the updated design plans now online at the www.mariemontschools.org website.
- If you have any questions, please feel free to call (309-8743) or email me (kryan@mariemontschools.org).

Have a great week!

Kathy Ryan, Program Manager for Mariemont Schools
