Mariemont Elementary: (see new pics)

- Masonry work is being done on the original building.

- HVAC work has started in the original building.

- The walls are being constructed with concrete block.

- Electrical rough in has started

- Sanitary lines are being installed.

- Floors are being poured on the West St. side and Plainville side.

Terrace Park Elementary: (see new pics)

- Foundations have been poured and concrete block is being set.

- The cafeteria walls are being constructed.

- Masonry (brick cleaning and grouting) work is being done on the original building.

FYI

Ø If you see lights on at night in the Mariemont or Terrace Park original buildings, it is for security and safety purposes.

Ø Please take the time to drive by the buildings to see the progress. It changes daily!

Ø We will be having "Open Air" construction Tours: Sunday, October 30 at the new Junior High from 12:00-2:00pm and November 6 at Mariemont Elementary from 12:00-2:00pm and Terrace Park Elementary from 2:00 – 4:00pm. Wear closed-toed shoes, bring a hardhat if you have one (we'll have loaners) and walk through the sites. The tours will be on rain or shine! Hardhats will not be required on the tours.

Ø Please view the updated design plans now online at the www.mariemontschools.org website.

Ø If you have any questions, please feel free to call (309-8743) or email me (kryan@mariemontschools.org).
