

Facilities Update Weekly

September 10, 2010

High School:

- The air handler was set on the roof this past Wednesday. After inspections, it will be up and running.
- Work on the School Spirit Walk is finishing this weekend.

Fairfax Elementary:

- The fire department will be using the building for practice from Sept. 7-Sept. 17.
- The demolition process will start on Monday, Sept. 20. The house the district purchased and the building will be taken down by Evans Landscaping will be doing the demolition. Every effort will be made to keep trash and dust to a minimum.

Mariemont Elementary:

- No new work being done at this time.

Terrace Park Elementary:

- No new work being done at this time.

- This past week all three building projects gave updates at a Tuesday evening meeting. SFA and Turner along with building administrators presented drawings and updates. The 200 Foot Club members, Programming and Transition Team members were in attendance.
- Now that we have moved from the Schematic Design phase into the Design Development phase of our project, we are looking at the possibility of moving to the modulars earlier this spring. We are currently determining the optimal timing with primary consideration being our instructional schedule.

Have a great weekend!

Kathy Ryan, Program Manager for Mariemont Schools
