

## Facilities Facts – April 2011

April was an exciting month in the Mariemont Schools as Mariemont Elementary and Terrace Park Elementary students and staff made the transition into modular classrooms. Many people helped with the packing and unpacking and the move went very well. Special thanks to our leaders: Linda Lee, Lance Hollander, Dr. Jim Counts, and Kathy Ryan. The students and staff have adjusted well to their temporary homes and have been very pleased with the classrooms.

During the month of April SFA Architects reached substantial completion of the Construction Documents in preparation for bidding which will be advertised in May. The bid opening is scheduled for June 8<sup>th</sup> with a special Board of Education Meeting scheduled for May 10 at 8AM.

Asbestos abatement work is progressing well at both elementary sites in preparation for building demolition work in May.

The project remains on schedule and on budget.
