Mariemont Junior High at Fairfax Site:

- Bids are being taken for the construction of the building. They are due June 8.

Mariemont Elementary:

- Put Sunday, May 22, at 3:00 for the Groundbreaking at Mariemont Elementary. Join us in the parking lot area on West St. for the event.
- Demolition still continues. The Plainville wing has been taken down and has left the original gym exterior wall in view. Individual bricks are being removed from the exterior gym lobby area. The bricks are going to be reused so that there is a good match when we rebuild. More of the building on West St. is being demolished (multi-purpose room area).

Pictures of the pre-2003 art are photographed and are on a DVD that will be shown in the new buildings.**
