

Facilities Update Weekly

December 16, 2011

Mariemont High School:

- The district maintenance crew is starting work on the Board of Education Offices. The Board of Education will be moving from the Junior High to the High School in late April.

-

Mariemont Junior High in Fairfax:

- The HVAC is being roughed in.
- The masons are working on the second story academic wing.
- The gym gables are complete.
- Fire protection is being roughed in.
- Metal framing continues to be installed.
- As we head into the holidays, please help us out by keeping an extra eye on the construction areas. Only workers with hardhats and vests should be on the site. If you see anything suspicious, please call the police.

Mariemont Elementary:

- The first floor precast flooring has been installed with a 2' concrete topping added.
- The walls of the original building are being furred out to allow for insulation, electric to be installed.
- HVAC is continuing to be roughed in.
- As we head into the holidays, please help us out by keeping an extra eye on the construction areas. Only workers with hardhats and vests should be on the site. If you see anything suspicious, please call the police.

Terrace Park Elementary:

- Work on the gym for the heating and air conditioning has been started on the stage area. The gym will be closed throughout the holidays to allow for HVAC work to be done.
- The north gym and cafeteria walls are being bricked.
- The crane has been moving steel for beams and support structure.
- The interior walls are being furred out for insulation and electric.
- As we head into the holidays, please help us out by keeping an extra eye on the construction areas. Only workers with hardhats and vests should be on the site. If you see anything suspicious, please call the police. *Please do not enter the job site area. The only entrance to the modulares is from Stanton or Myrtle.*

FYI

- The past two weeks Design Teams of parents, teachers and administrators have been meeting to select colors, carpet, and tile for the new buildings. A big thank you to them for their work!
- **If you see lights on at night in the buildings, it is for security and safety purposes.**
- Please take the time to drive by the buildings to see the progress. It changes daily!
- Please view the updated design plans now online at the www.mariemontschools.org website.
- If you have any questions, please feel free to call (309-8743) or email me (kryan@mariemontschools.org).
