

January 13, 2012

Mariemont High School:

- The district maintenance crew is continuing work on the Board of Education Offices. The Board of Education will be moving from the Junior High to the High School in late April.

•

Mariemont Junior High in Fairfax:

- The mason, electricians, plumbers and HVAC workers are all working on the interior.
- Further masonry work is being done on the exterior as weather allows.
- Trusses are set and the roofers are continuing to progress.

Mariemont Elementary:

- The first floor precast flooring has been installed with a 2' concrete topping added.
- The walls of the original building are being furred out to allow for insulation, electric to be installed.
- HVAC, plumbing and electric are continuing to be roughed in.

Terrace Park Elementary:

- Work on the gym for the heating and air conditioning has been started.
- The north gym and cafeteria walls are being bricked.
- Work on the HVAC, electric, masonry and plumbing is progressing.
- *Please do not enter the job site area. The only entrance to the modulares is from Stanton or Myrtle.*

FYI

- **If you see lights on at night in the buildings, it is for security and safety purposes.**
- Please take the time to drive by the buildings to see the progress. It changes daily!
- Please view the updated design plans now online at the www.mariemontschools.org website.
- If you have any questions, please feel free to call (309-8743) or email me (kryan@mariemontschools.org).

Stay warm and dry!

Kathy Ryan, Program Manager for Mariemont Schools
