FYI...

- We will be moving out of the gyms at Terrace Park and Mariemont Elementary over spring break so that the work on the interiors can start. Students will be eating in their classrooms or outside (weather permitting); school lunches will still be provided. Gym classes will take place outside and inside as weather allows. Information for parents will be shared by the building principals.
- **Mark your calendars:**
There will be building tours on Sunday, April 15, from 1:00pm-3:00pm at all three new buildings.
- If you see lights on at night in the buildings, it is for security and safety purposes.
- Please take the time to drive by the buildings to see the progress. It changes daily!
