

April 13, 2012

There will be building tours this Sunday, April 15, from 1:00pm-3:00pm at all three new buildings. Wear hard soled, close-toed shoes and bring a hardhat or we can lend you one. All are welcome!

Mariemont High School:

- The district maintenance crew is continuing work on the Board of Education Offices. The Board of Education will be moving from the Junior High to the High School in May. The new Board of Education offices will be located in the pod by the football field.

Mariemont Junior High in Fairfax:

- The exterior brick work has been completed around the back and sides and is being finished on the front.
- The interior work, while not easy to see, is moving along very well. Electrical wiring, plumbing, HVAC, fire protection and technology wiring are moving on schedule.
- The cupola will be reset on the roof. It looks like the cupola setting will be around May 14. I will let you know exactly when so that you can stop by and see it.
- Walls are getting the first coat of paint.
- Ceramic tile set being set on the walls where applicable this week.

Mariemont Elementary:
